

Bothwell Scot Trot 5K Run/Walk & 1/2 Mile

The first annual Bothwell Scot Trot Run was held on October 12 with a start and finish near the bell tower in the Elwood Mattson Park in Marquette. The event was a fundraiser by the Bothwell Parent Organization to help fund school activities. It was race director Deanna Sved's first effort of organizing and directing a running race. Runners and walkers had a beautiful autumn morning to traverse the course out to Picnic Rocks and back to the lower harbor. A big thanks to the sponsors, participants, and volunteers who made the event a success.
